Refer to chart for complete panel size info.

Metallic Paint: Color variation is a characteristic of aluminum composite panels with metallic paint finishes. Laminators DOES NOT warrant a color match for these panels.

NATURAL SERIES

20-Year Warranty

Clear Matte

*Clear Matte
Brushed*

*Extra Dark
Bronze*

Note: Anodized Metals are very consistent; however, some lot variation should be expected. Laminators Inc. cannot control mill lot variation. In addition, grain direction of the aluminum must be considered in the design of the panel installation. Opposing grain directions may create visible patterns and may not be acceptable in the finished building design.

DESIGNER SERIES

30-Year Warranty

*Warm
Cherry**

*Honey Oak**

*Dark Walnut**

*Weathered
Wood**

*Also available in
60" width

*Copper
Brown**
